Revised: 2018, October 15

WOMEN'S FOOTBALL TECHNICAL DIRECTOR

ROLE DESCRIPTION:

The role of Women's Football Technical Director (TD) is a new role at Ulverstone Soccer Club that leads and manages our entire female football program.

The TD will assist the committee to create a sustainable football program that provides both clear guidance for coaches and a clear pathway for players, to help facilitate a quality football experience for everyone involved. The TD should therefore have experience in youth coaching, senior coaching and coach mentoring.

RESPONSIBILITIES:

- Coach the Women's Super League squad
- Develop a Team Philosophy for the Women's Super League squad and ensure this is used consistently across the entire women's program
- Assist the committee to document a Player Development Plan, which includes annual training plans (pre-season, in-season, academy) for junior, youth and senior players
- Guide and mentor junior academy, youth and senior women's (northern) coaches as they implement the Player Development Plan and Team Philosophy
- Attend and observe training and matches for all female teams periodically and provide technical feedback to the coaches
- Advise the club on training and development required for coaches and assist with organising it
- Monitor the development of all female players and provide feedback / reports to coaches, the club and parents as applicable
- Assist with recruitment of players for the Women's Super League and the development programs (eg academy, youth teams)
- Identify and recommend talented female players to Football Federation Tasmania for the Talent Support Program and representative teams
- Create and initiate opportunities to assist other NW Coast clubs with developing female players

RELATIONSHIPS:

- Attend meetings, workshops and training organised by FFT, FFA or other organisations that are applicable to the role (eg talent identification)
- Communicate effectively with all coaches of female teams to select players for each round of the season at all levels (ie youth, northern and WSL) and ensure each team has adequate players
- Provide monthly reports to the committee on the progress of the Player Development Plan
- Attend committee meetings when requested by the committee
- Assist with communication between coaches, players and parents, including mediation of concerns or disputes between these people

- Establish and maintain strong professional relationships and communication between our club and other Tasmanian clubs (their committee, coaching staff and players), especially on the NW Coast
- Provide and/or oversee school and community visits/clinics to attract female players to play football

QUALIFICATIONS AND EXPERIENCE:

- Current Working with Vulnerable People card
- Completed (or willing to complete) the 'FFA Talent ID' course
- Ability to provide leadership and direction
- Demonstrate effective communication skills
- Passionate and dedicated to promoting Ulverstone Soccer Club and women's football to the wider community
- Experience in developing and management of coach and player development programs
- Experience coaching youth and senior football; experience with female teams a distinct advantage
- FFA C License (or above) an advantage
(the club may be willing to assist with costs if you enrol and complete this qualification)

OTHER CRITERIA:

- Available to attend/facilitate training sessions for players at all levels
- Available to coach at Women's Super League matches
- Willing to travel state-wide for games, workshops, meetings etc as required
